### **POOL PARTIES - PRIVATE:**

Spend an evening with friends at the Little Dipper Pool. The pool may be rented until 10 pm by members for private parties on any available evening during the pool season. There is a minimum of two (2) lifeguards booked per party, with at least one (1) lifeguard for every fifteen (15) people within the fence (not just in the water). Make your reservations with the

pool manager at least seven (7) days prior to your party. Parties will begin after the pool has closed for the day, NOT BEFORE. If you would like to schedule a party opening week, please email for board for approval (thelittledipperpool@gmail.com).

### **2022 Pool Party Pricing:**

	Weekday (Mon/Tues/Thurs)	Weekend (Fri/Sun)
Less than 30 people:	\$250	\$350
30-45 people:	\$325	\$425
45-60 people:	\$400	\$500

The lifeguards are on payroll during parties, therefore all money is due at the time of the reservation. You will not need to pay the lifeguards at the party, but please feel free to tip the lifeguards if you feel it is appropriate.

At the time of your reservation, you will be expected to pay a deposit of half of the rental fee, plus the entire pool rental fee, in two separate checks. The deposit check will be shredded or returned to you (please let us know) unless the area is left a mess, or there is damage to the property. The rental fee and deposit will be refunded in case of cancellation due to inclement weather. Should you need to cancel your party for other reasons, a minimum of 48 hours notice is required. If you cancel within 48 hours of the party you will forfeit the deposit. Please contact the pool manager if you must cancel.

### **POOL PARTIES - NOT PRIVATE:**

Parties during regular pool hours may be arranged at least one week in advance. These parties may last up to two (2) hours and are limited to twenty (20) guests for a flat fee of **\$100.00**. You may also add up to ten (10) additional guests for \$12 per person, for a maximum of thirty (30) guests.

### **SWIMMING LESSONS:**

A minimum of 4 sessions of "Learn-to-Swim" will be offered this summer for our members only. Each session will run Monday through Friday for two (2) weeks for a total of ten (10) classes per session. The cost for each session is \$50.00 for the first child and \$45.00 for each additional child. Fees must be paid at the time of registration. Sign-ups will be on a first come, first serve basis.

This year we will be piloting a hybrid model for swim lesson sign up. Priority registration will be done in person the week prior to the start of each new swim session and then online afterwards. More information to come as we get closer to the start of swim lessons.

The following classes are offered for ages 3 and over: Beginners, Advanced Beginners, Intermediates, and Swimmers, as well as Beginner and Advanced Diving. Parent/Tot classes

will be offered for children under the age of 3 if there is enough interest. Parent/Tot classes will be scheduled along with other swimming lessons. We are also very excited to announce that a Little Dipper Swim Club will be forming this summer, stay tuned for more details!

### 2022 Swim Lesson Schedule:

Session 1	June 6 <sup>th</sup> - June 17 <sup>th</sup>
Session 2	June 20 <sup>th</sup> - July 1 <sup>st</sup>
Session 3	July 11 <sup>th</sup> - July 22 <sup>nd</sup>
Session 4	July 25 <sup>th</sup> - August 5 <sup>th</sup>

Please remember that during swim lesson times, children who are not in lessons **MUST** be supervised. To keep from distracting the instructors during lessons, the cement area **MUST** remain clear of anyone not participating in a lesson at the time. It is preferred for parents not to be on the deck during lessons as well. It is established that children learn better when the instructor has complete charge of them. Parents are asked to stay back on the grass area and not near the pool.

PLEASE NOTE: Lessons are strongly encouraged, especially if your child is a non-swimmer. All non-swimmers **MUST** have adult supervision at all times in all areas of the pool.

To accommodate swim lessons, the pool will not open until 11:00 a.m. for the shallow end and 11:30 a.m. for the deep end.

### KIDS NIGHT:

The pool will hold minimum of (3) three Kids Night events over the 2022 season. These events are from 6pm to 9pm and are for children entering kindergarten through 8<sup>th</sup> grade. Dinner will be served and games will be played. Please check the calendar for dates.

### SPECIAL HEALTH NOTICE TO MEMBERS:

*"THE SCOOP ON POOP"*: Because of the potentially serious health ramifications of being exposed to human feces, the board has decided to continue to enforce a safety policy to ensure the safety of our members and guests.

Several times in the past children pooping in the pool inconvenienced members. (This was NOT limited to the baby pool area.) The pool then had to be closed, resulting in the cancellation of scheduled birthday parties, evening parties, and swimming lessons.

Because of these problems, members and guests will be required to adhere to the following:

- If your child has diarrhea, do not allow your child to enter the pool.

- Swim diapers and appropriate fitting swimwear **MUST** be worn by all children who are not potty trained **OR** are accident-prone.

If there is a pooping incident at the pool, we will adhere to the Center for Disease Control - fecal incident response recommendations for pools:

- For formed stools - shock the pool and keep the pool closure time to approximately 30 minutes.
- For diarrhea - shock the pool, close for 12.75 hours, then backwash before allowing swimmers back into the water.
- The pool may be closed for longer than the recommended time if the chlorine levels have not returned to appropriate levels
