The following rules apply and **violation of rules may result in revocation of membership:**

- All memberships are subject to board approval as well as any and all special circumstances.
- All incomplete applications will be returned.
- Memberships are non-transferable and non-refundable.
- An application is complete only when the membership application, signed waiver form and payment are received. Failure to complete all of these will cause a delay in processing of membership.

Any falsification of an application may result in the termination or declination of membership.
